**Additional Information and/or Back-Up:**

Governor Rick Perry has proclaimed January as School Board Recognition Month. It is a time to gratefully acknowledge the commitment of the Board of Trustees to our community and our schools.

Our board is one of 1042 district and county school boards across the state. School board members are committed to children and believe that all students can be successful learners and that the best education is tailored to the individual needs of children.

The SBISD Board of Trustees serves as a strong advocate for public education. These seven public servants, elected by local citizens, receive no compensation for their tireless efforts.

We recognize and thank our Trustees for their dedication to the continuing success of Spring Branch ISD, our students, our staff and our schools.
