**Spring Branch ISD's Volunteer of the Month for February is Brent Favor
Spring Woods High School:**

Brent Favor has been graciously volunteering his time at Spring Woods High School since 2002 when the first of his three children began school there. He has been a parent volunteer on three Project Prom committees, and is currently serving as the President of the 2011 Project Prom committee. As an active member of the PTA, an officer in the Athletic Booster Club, and the Cheerleading Booster Club, Mr. Favor works tirelessly to support all of the students at Spring Woods High School.

He seems to have run every concession stand on the campus for the last eight years. He assists with organizations even when his children are not directly involved. Recently he provided food for a school dance when he heard there was a need. He has been a chaperone on the college field trips and the school dances, and continually works to secure sponsors for the class fundraisers. Brent is ready to help wherever he is needed and always with a smile and a giving heart.

Assistant Principal, Kaye Estrada said, “Brent is the perfect volunteer. He does everything that is asked of him and is very humble. He is a shining example for others in the community.” Grade Level Principal, Lynn Austin, also sings the praises of Mr. Favor, “I wish all the parents were as involved and supportive as Mr. Favor. His is an incredible volunteer and a great asset to the Spring Woods High School community.”

He also has served on the district Long Range Facilities Committee, and supports our students through various activities in the community. He is an advocate for all of the Spring Branch ISD students and the Spring Woods High community. We are honored to recognize Brent Favor as the February Volunteer of the Month.
