ADDITIONAL INFORMATION AND/OR BACK-UP:

This month, we are honored to recognize an exemplary Ridgecrest Elementary staff member. Adaptive Behavior Special Education Assistant Claudia Sequeira has been described by her peers as "patient, kind, calm and concerned" in guiding those few students who struggle behaviorally throughout their primary years.

Even in challenging student situations, Claudia manages to remain calm and positive and to maintain a smile each and every school day. She genuinely cares for and loves each and every one of her students, regardless of their emotional troubles in the classroom setting. She makes a huge effort not to miss school days. If she is not working, she knows that it will be that much more difficult to catch students up upon her return.

In addition to her heartfelt concern, she also purchases supplies and books for her students out of her own pocket. She is well respected by her co-workers, parents and students and never hesitates to go above and beyond the duties of her position.

Tonight we are proud to honor Claudia Sequeira, Ridgecrest Elementary's Adaptive Behavior Special Education Assistant, as our January 2011 Employee of the Month. Her dedication, loving attitude and driving initiative will leave a lasting impact on the campus, students, staff members, and parents that she serves daily.
