

**Spring Branch Independent School District  
Agenda Item Information**

**Date of Board Meeting:** January 26, 2009

**Subject:** Request for Approval of SBISD Addendum to Harris County All Hazard Mitigation Plan

**Administrator Responsible:**

**Name:** Jennifer Blaine, Ed.D.

**Position:** Associate Superintendent for Curriculum and Instruction

**Purpose of Agenda Item:**

**Information only**       **Action needed**       **Report**

**Additional Information and/or Back-Up:**

This is the second of two actions the Board must take in order to position the district to seek funding through a FEMA Hazard Mitigation grant application. The Locally-Specific Mitigation Action for SBISD follows this cover page.

Mitigation is pre-disaster planning and preparation that reduces the impact of a disaster. The adoption of this plan is necessary to position the district to submit a grant proposal for funding to pave the parking lot at Tully with ten inches of concrete and to provide a helicopter landing pad, a refueling station and a bus inspection station for Southeast Texas. (Approximately 50% of the State's population lives in Southeast Texas.) This project is a collaborative effort with the State of Texas. Once the SBISD grant application is drafted, it will be forwarded to the Governor's Department of Emergency Management (GDEM) for review.

# LOCALLY-SPECIFIC MITIGATION ACTIONS

---

HARRIS COUNTY  
ALL HAZARD MITIGATION PLAN (DRAFT)
