Ready to Enroll?

Hours are 12-8 Monday-Friday. Buses are available daily for student transportation.

Students may enroll in one course at a time and must complete a course before enrolling in another course. Your campus counselor will provide you with the necessary

information to enroll for any of the course options.

Once a student has enrolled in a course, he/she must attend a school orientation.

These will be provided at the SBEC. Your campus counselor can provide you information on how to schedule these meetings.

The school has a number of additional

options for students interested in taking other courses. These will be considered on a case-by-case basis and course availability. If you are interested in other opportunities, contact Jennifer Kennedy, Night School Assistant Principal.
