Additional Information and/or Back-Up:

Only 4% of the more than 8,000 public schools in Texas are recognized by the Austin-based Texas Business & Education Coalition for high student performance over an extended period of time. This year, seven SBISD schools have earned this designation, up from four last year. The campuses will be spotlighted at an awards reception in Austin in November.

We are proud to recognize SBISD's seven campuses earning this state-wide honor this year. They are:

- Memorial High School
- Stratford High School
- Memorial Middle School
- Spring Branch Middle School
- Westchester Academy of International Studies
- Cornerstone Academy
- Frostwood Elementary School
